STEP 2: Download the Mango Language App & Learn Offline

1. To take your learning offline, you may now go to the App Store or Google Play and download the app, Mango Languages: 🥭.

2. Open the app to **Log-In** using the credentials used to create your Mango account.

3. After logging in, you will be taken to the language you selected when you registered in STEP 1. You may now begin learning! Select a chapter, and tap the **Download All** button to download all lessons from that chapter.

4. Ready to explore another language? To remove or add a language, tap on **Your Languages** (the language icon displayed in the upper left-hand corner of your device), then either **Remove Language**, or **Add a Language.**
